OFFICERS:

Secretary, Barry Bernstein '00 (BS, Business Administration with Concentration in Finance)
Director of Operations and Head of Technology for NeoNet Securities Inc., a Swedish based company trading in Europe, the US and Asia. Bernstein was elected to the MSUAA Executive Board as Member at Large in June 2008.

MEMBERS-AT-LARGE

Arlene (Crescenzi) Allen '64 (BA, English)
A life member of the MSUAA, Allen is a strong supporter of the University, recently giving a generous gift to name a room in University Hall in memory of former English literature professor Russell Krauss. Allen is a retired teacher, having taught at Union County Regional High School and Governor Livingston Regional High School.

Evan C. Childs '98 (BA, Political Science)
Vice President of Government Markets of Harte-Hanks, Childs is an energetic, creative and goal-oriented sales and business development professional. He has extensive experience in public relations and governmental affairs and has stated that as the reputation of Montclair State grows, so does the value of his degree from the University.

Patrick S. McGuinness '72 (BA, Spanish)
Recently retired from Siemens Corp. where his work involved business development in South and Central America, McGuinness has been a guest speaker with the University's International Business programs and the International Business Club.

Robert P. Renshaw '96 (BS, Accounting)
A financial service professional with strong analytical skills and extensive background in managing high net worth clientele, Renshaw is a financial planner with American Economic Planning Group. He is interested in forming alumni chapters in Morris and Union counties.

Michele L. Wilk '75 (BA, Home Economics)
Owner and founder of M. Wilk Consulting, Wilk has more than 25 years experience in all facets of retail leasing, development and merchandising. She began her shopping center real estate career handling site selection for retailers and brings a broad, diversified perspective of the real estate industry to her clients.
