Bachelor's/MBA 4 + 1 Program

- Economics Major are able to complete a Bachelor and MBA degree in five years.
- It is a great option to take advantage of a more cost-effective option for getting an MBA degree by taking some “swing” graduate courses that satisfy both their undergraduate and graduate degrees at the undergraduate tuition rate

Bachelor's/MA in Social Program 4 + 1 Program (a new proposal under review)

- Economics Major would be able to complete a Bachelor and MA in Social Program in five years.
