Class of 1973 – 50th Reunion Celebration

Reunion provides alumni with the opportunity to reconnect with each other and with their alma mater. For many, it's a reason to celebrate with lifelong friends. For others, it's a chance to get together with classmates, many of whom they may not have seen in 50 years. Some have been back to campus to visit or attend events and activities, while others are experiencing 50 years' worth of growth and change when they return for reunion.
