

Dear Colleagues,

Since 2008 Montclair State University has offered a growing series of professional development programs for middle and high school theatre teachers that have included Theatre Day for Teachers, Theatre Night Awards, Summer Intensive for Theatre Teachers, and new this year Theatre On The Move.

**[Theatre Day for Teachers](#)** is a daylong professional development program for middle and high school theatre teachers. The event provides a rare opportunity for theatre teachers to meet and network with their peers and to participate in workshops taught by theatre professionals and Montclair State faculty. Intensive workshops in the focus areas of Production & Tech, Acting & Directing, and Best Practices in the Classroom are offered. Six Professional Development hours can be earned. To register please [click here](#).

**[Theatre Night Awards](#)** provides a statewide opportunity to recognize excellence in non-musical play production in NJ high schools and middle schools. Theatre educators are encouraged to submit their plays for consideration. Students and their families are invited to join high school theatre teachers for this exciting evening event. To register please [click here](#).

The **[Summer Intensive for Theatre Teachers](#)** is a week-long experience which provides opportunities for Arts Educators to learn practical tools and techniques that can be applied in the classroom and in rehearsal. Teachers participate in hands-on workshops with professional specialists in stage design, speech, and movement. They also direct scenes with a carefully selected group of MSU BFA acting majors. Professional Development hours can be earned. [Click here](#) to watch the 5-minute video that captures the excitement of SITT!

**[Theatre On The Move](#)** is a touring company that takes theatre, featuring contemporary social issues, into classrooms and auditoriums in schools throughout the state, and on campus at MSU. The performances also include a post-play discussion and a study guide. For more information please [click here](#).
