Get To Know Us

Student Involvement

We serve as the "clearinghouse" for programming events on campus. We play an active role in assisting all clubs and organizations as they plan on- or off- campus events. Our department puts out monthly activity calendars, while also serving as advisors and facilitators for student clubs, organizations and the Student Government.

Listed below are the areas that can help you get connected with the MSU experience:

Student Leadership Programs

We offer student leadership programs, including workshops, retreats, conferences, and awards and recognition processes. We also administer community service programs, including the Community Service Advisory Board (CSAB).

Weekend Programming

We offer afternoon, night and weekend events including open mic and Karaoke nights, Red Hawk Nites, concerts, theater trips, parties, and movie nights. We are always looking for your talents at our special events.

Commuter Students

We, Commuter Association Resources and Services (CARS), provide services, programs, advocacy, and outreach for commuter students. Our spotlight programs include open house receptions. We provide a resource center in the Commuter Lounge for commuter students.

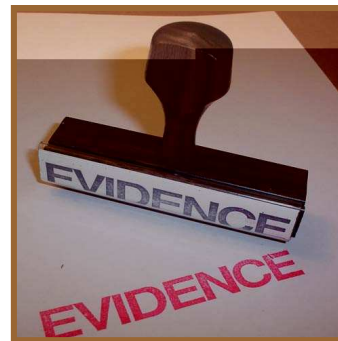

Greek Life

We have over 30 Greek organizations and Social Fellowships on campus. Each organization represents areas of academic, social, or service commitment. Our activities include annual participation in Homecoming and Greek Week.

Mission Statement

The purpose for the Center of Student Involvement is to complement the academic program and enhance the overall educational experience of the students by engaging them in civic, cultural, recreational and social initiative. Student Involvement provides an environment in which students can:

- 📍 Participate in the campus and greater community
- 📍 Develop a sense of self, university and civic pride
- 📍 Engage in a campus environment conducive to growth, development and discovery
