

“You must be the change you wish to see in this world.”

-Mahatma Gandhi

In the fall, we offer the annual **What’s the D.E.A.L. (Diversity, Equity and Leadership) at MSU? Conference** for students. In the spring, we coordinate the annual **All-Together Different Student Weekend Retreat**, along with the Student Government Association and Student Leadership Programs, which aims to increase communication between diverse student populations on-campus. This weekend encourages student networking through team building activities, skits, and facilitated “tough conversations.” We also provide a similar one-day diversity training for university faculty and staff in the winter.

Center Resources

Equity and Diversity Programs also provides resources to help promote diversity on campus. At the Center, you will find helpful resources on multicultural awareness, including: “10 Ways to Fight Hate on Campus” from Southern Poverty Law, Diversity Inc. magazine, Conversations on Race study circle manuals, videos, and much, much more! Come to the **Student Center Room 421** or call the Center at extension **5114** to find the resources you are looking for.
