

MSU Faculty Characteristics

MSU Faculty Characteristics

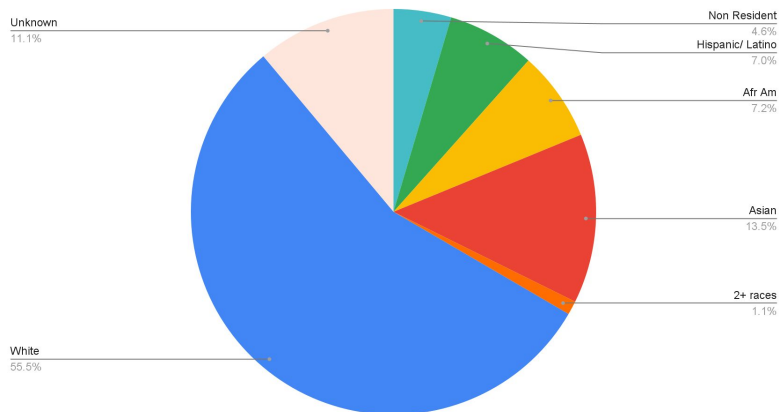

- This report provides university and college/school full-time faculty and student demographic data over the last ten years.
- Data is drawn from Institutional Research. IR pulls data from self-reports provided to HR by employees; approximately 10% of employees do not self-report.
- National demographic information on **faculty** and **PhDs conferred** was pulled from NCES.

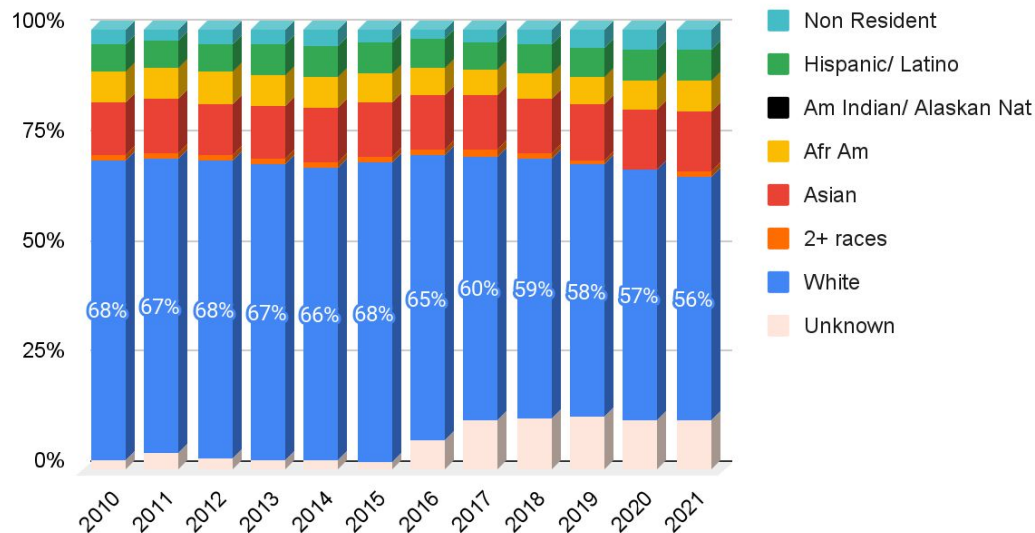

Demographic comparisons: MSU faculty vs national faculty vs. PhDs conferred
