

# FAST FACTS

**Montclair  
State  
University**

For more than a century, Montclair State University has been recognized as one of New Jersey’s most distinguished public institutions of higher education. We have prepared thousands of students for a lifetime of professional and personal success and stand tall on a reputation of stellar academic programs and research. With more than 300 baccalaureate, master’s and doctoral programs, we’re always reaching higher.

### Fast Facts

|                                      |  |
|--------------------------------------|--|
| Number of students.....              | 21,000                                 |
| Countries represented on campus..... | 74                                     |
| Students living on campus.....       | 5,300                                  |
| Student/Faculty ratio .....          | 17:1                                   |
| Average class size .....             | 25                                     |
| Alumni Network .....                 | 130,000+ in 50 states and 75 countries |

### Awards and Recognitions

As a Carnegie Research Doctoral University, our stats stack up. In 2021, *U.S. News & World Report* ranked Montclair State as No. 87 in Top Public Schools and No. 20 in Top Performers on Social Mobility.

### Student Support

The Office of Global Engagement is dedicated to creating a welcoming environment and culture of care for all international students and scholars. We aspire to collaboratively lead internationalization efforts to enhance academic vitality, integrity and diversity to prepare students to excel as global citizens and scholars.

### Housing

Join the more than 5,300 students who live on campus and become part of a proud, closely knit college community. Montclair State is committed to making on-campus living a meaningful part of your educational experience. From structured activities sponsored by residence hall staff and councils to impromptu informal gatherings, we encourage personal growth and responsibility.

### Scholarships and Assistantships

Montclair State University offers scholarships for undergraduate freshman students based on academic profile. Eligibility requirements and amounts awarded vary. Graduate students are eligible to apply for assistantships.

### 2021-2022 Tuition and Fees\*

Montclair State offers a high quality academic experience at an extremely competitive cost. Our commitment to affordability will make it easier for you and your family to make a smart and practical financial investment.
