

To access the Montclair State University email account, you must first activate the NetID. The NetID is provided to the student, via email, 48 to 72 hours after submitting the new student deposit. Once the NetID is received, it can be activated through the [NetID Account Management Center](#).

After the NetID has been activated, students can log in to their Montclair State University gmail account.

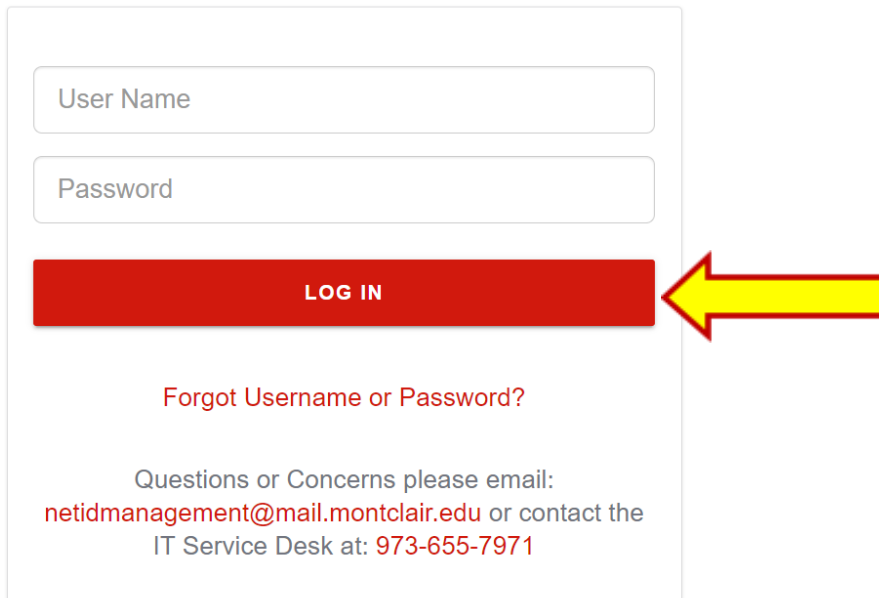

**Step 1:** Visit [www.gmail.com](http://www.gmail.com) and click on **Sign in**.

**Step 2:** Enter the email address as **NETID@montclair.edu** (Ex: *smithd1@montclair.edu*).

**Step 3:** A screen with a request for additional authentication will open. Log in using the credentials (NETID & Password). The password is the same one created when the NETID was activated through the [NetID Account Management Center](#).

The image shows a login form with the following elements:

- A text input field labeled "User Name".
- A text input field labeled "Password".
- A red button labeled "LOG IN". A yellow arrow with a black outline points to this button from the right.
- Text below the button: "Forgot Username or Password?"
- Text at the bottom: "Questions or Concerns please email: [netidmanagement@mail.montclair.edu](mailto:netidmanagement@mail.montclair.edu) or contact the IT Service Desk at: 973-655-7971"
