

Dear Study Abroad Alumni,

Welcome back! Now that you have returned from studying abroad (or are about to), do you feel like you can't stop talking about your experiences? Do you want to help a student pursue a similar experience? If so, become a part of the [Study Abroad Peer Advisor \(SAPA\) Program](#) at Montclair State University!

This volunteer peer-to-peer program is designed for returned study abroad students to share their experiences and raise awareness about studying abroad at Montclair State University. By taking part in classroom presentations, information tables and other international events throughout the year, SAPAs give prospective study abroad students the “*student perspective*” on studying abroad. Students selected to be a Peer Advisor receive training on presenting and informational content, and any returning Montclair State University student in good academic standing is eligible to apply for the program.

Apply today to be a Study Abroad Peer Advisor [here!](#)

We have exciting things planned just for you...[Save the Date](#) for the **Study Abroad Alumni Reunion**, scheduled for the afternoon of September 8th, 2011! More information on the reunion will follow.

Additionally, stay connected with the study abroad community at MSU via Facebook and LinkedIn! “Like” the [Montclair State University Study Abroad Office Page](#) and add your photos or post comments on studying abroad. Also, join the [Montclair State University Study Abroad Alumni](#) LinkedIn group to include us in your professional network—we'd like to stay abreast of all the great things you are doing now and in the future.

Over the summer, please remember to **send us your photos and videos** from abroad as we upgrade our website and marketing materials. As we make changes this summer, we would particularly love to feature our MSU students.

If you have any questions, please feel free to contact me. We look forward to hearing from you and sharing your experiences from abroad.

Warm regards,

Nyietta Charlot
