

Supplemental Guide for Creating New Tenure Track (10M) and Temporary Faculty Positions in Workday

The purpose of this guide is for initiating the Create Position process for Tenure Track (10M) and Temporary Faculty positions in Workday. A faculty position can be created once the position has been approved by the President, Provost/SVPAA and the Office of Budget and Planning; and the three required documents (Position Description, Recruitment Plan, and Workday Excel sheet) have been reviewed and approved by the Provost's Office.

This functionality is available to Hiring Managers (Department Chairs and School Directors) and Administrative Assistants responsible for creating positions within their organization.

Before initiating the 'Create Position' process in Workday, please have:

- ☐ The appropriate full-time org in Workday. Example: Testing and Development (Frank N. Stein).
- ☐ The org should not have the word 'Temporary' in it.
- ☐ The Administrative Assistant or Manager role for the appropriate full-time org in Workday.
- ☐ An understanding of the timeline from position creation to hiring your new Faculty member.
- ☐ The approved position announcement from the Provost's Office (ready to attach to the position).
- ☐ The approved rank, step, range, and cost center (ready to attach to the position).
- ☐ Recruitment Plan (**Note:** The plan does not have to be submitted for initial approval, but will need to be uploaded later in the "Attachments" section of the Create Job Requisition process and will be reviewed by the Office of Inclusive Excellence via Workday).

Approval Workflow:

After the department **Admin** submits the position, it will route to the following to approve:

1. Classification and Compensation team in HR
2. Department Chair (**this step is omitted if the Dept. Chair initiates the process instead of the Admin**)
3. Dean
4. Provost's Office
 - 5a. Budget Office (if the position is non-grant funded)
 - 5b. Grants Accounting (if the position is grant-funded)
6. Vice President for Human Resources

Need Help?

For assistance with the below, please email askHR@montclair.edu or call the HR Support Center at 973-655-7700, select Option 4 for Talent Acquisition.

Tips

Supervisory Organization	Testing and Development (Frank N. Stein)	
Position Request Reason *	<div> × Create Position > Created Position > Budgeted </div>	→ The position should be 'Budgeted'.
Job Posting Title	<div> * Assistant/Associate Professor of Testing </div>	→ If the rank was approved to be flexible, please include both ranks in the Job Posting Title.
Number of Positions	<div> * 1 </div>	

Hiring Restrictions Qualifications

Availability Date	<div> * 07/16/2025 </div>	→ Must be today's date. Selecting a future date will prevent the position from being seen in Workday.
Earliest Hire Date	<div> * 07/01/2026 </div>	→ Must be 07/01 of the hire's intended academic year.

Job Family	<div> <div></div> <div></div> </div>	
Job Profile	<div> * × Associate Professor (10M) </div>	<ul style="list-style-type: none"> • Make sure the Job Profile includes '(10M)' and if it's Temporary, then it should say 'Temporary'. • If the rank is flexible, select the higher rank's Job Profile. Select only one job profile.

Job Description Summary	<div> An earned doctorate or other appropriate terminal degree from an accredited institution in an appropriate field of study and five (5) years of professional experience. Evidence of excellence in teaching, scholarly achievement and service beyond the level of accomplishment of those holding </div>
Will default in the position, but is not on the posting.	
Job Description	<div> * Normal ▼ B <i>I</i> <u>U</u> ▼ </div> <div> The Department of Workday Testing at Montclair State University invites applications for a full-time, tenure-track associate professor position in testing and development to begin in September 2021. </div>

Copy & paste the full job description (including the Summary) from the approved position announcement. Please ensure proper formatting, spacing, etc. as this is what will populate into the actual job posting.

Location

× Main Campus ...

Time Type

× Full time

Worker Type

× Employee

Worker Sub-Type

× Regular

Approve

Save for Later

Close

- Click 'Approve' to submit your position and have it go through the approval process.
- Click 'Save for Later' to hold the position in your Inbox.

Note: Once the position is created the Initiator cannot make any changes and must contact Human Resources if updates are needed. Any of the approvers in the approval process can send the request back to the Initiator from a specific point within the process. Only the Initiator can make the required changes, confirm all data going forward is correct, and resubmit the request. When all approvals have been completed, the position is created, and the position number is assigned.

Note: The Initiator can check the status.

Check the Status of a Position

- 1) Navigate to your **Inbox** and click on **Archive**.

The screenshot shows the 'Inbox' interface. On the left, there's a list of actions under the 'Archive' tab, sorted by 'Newest' from the last 30 days. The actions include: 'Create Position: Jr Accountant' (3 hour(s) ago - Successfully Completed), 'Create Position: Sr Account Manager' (3 hour(s) ago - In Progress: Yanling Sun), 'Create Position: Instructional Designer for Web Content' (3 day(s) ago - Successfully Completed), 'Job Requisition: R-1000892 Instructional Designer for Web Content' (3 day(s) ago - Successfully Completed: Monica Tejada), and 'Create Position: HelpDesk Supervisor' (5 day(s) ago - In Progress: Yanling Sun). On the right, the 'View Event' section for 'Create Position: Jr Accountant' is shown. It indicates the event was completed 3 hours ago. The overall process is 'Create Position: Jr Accountant' and the overall status is 'Successfully Completed'. The due date is '06/10/2019'. Below this, there are tabs for 'Details' and 'Process'. The 'Process' tab is active, showing a timeline of the process: 'Organization' (Instructional Technology and Design Services (Yanling Sun)), 'Positions Created' (P1021304 Jr Accountant (Unfilled)), 'Position Request Reason' (Create Position > Created Position > Budgeted), and 'Job Posting Title' (Jr Accountant).

- 2) In the **View Event** section of the screen, the **Details** tab displays the details of the position, and the **Process** tab shows the process history of the position and the approver the position is "awaiting action."
- 3) To view All of your positions, enter **View All Positions** in the *Search* bar and select the search filters to view the data. When viewing the results table, click on the position title in the Position column to view the details of the position.

The screenshot shows the 'View All Positions' interface. At the top, there's a green header with the text 'View All Positions'. Below this, there's an 'Instructions' section stating: 'The View All Positions report provides information for position management Supervisory available.' Below the instructions, there are several search filters: 'Organization' (with a dropdown menu showing 'TEST Testing and Quality (Workday 24 [C])'), 'Include Subordinate Organizations' (with a checkbox), 'Position Status' (with a dropdown menu showing 'Closed', 'Filled', 'Frozen', and 'Open'), and 'Include Open Positions Available On or Before' (with a red asterisk). The 'Position Status' dropdown menu is open, showing the options: 'Closed', 'Filled', 'Frozen', and 'Open'.
