Important Information

PLEASE NOTE:

- You are encouraged to file your application early. There are no exceptions to the deadline dates.
- All academic requirements for JUST 498 must be completed before your internship semester.
- Placements requiring background checks can take as long as eight weeks for clearance. National/Federal clearance can take six to nine months and internships are highly competitive.
- You may be responsible for finding your own placement if you are arrested during the placement process, have a juvenile/adult arrest or conviction, or do not pass a background check. Please advise the Applied Learning Specialist of any charges or arrests you have incurred at your placement meeting.
- Students who are not U.S. citizens may encounter difficulties in securing certain placements.
- Some placements do not accept students who work as bartenders or who serve alcoholic beverages.
- The Applied Learning Specialist cannot guarantee placement at any site, or at a specific location.
- Final decisions are made by the site based on background clearance, strength of your resume, and interview.
- At all times students are encouraged to remain vigilant about finding a placement, as JUST 498 is a requirement for the Human Trafficking Certificate, and it is ultimately your responsibility to complete all requirements (at all stages) for this course.
