Accenture LLP

Title: Client Financial Management Analyst

Location: Florham Park, NJ

Job Type: Full-Time (Entry Level)

Compensation Type: Hourly

Start Date: ASAP

Job Description: Client Financial Management professionals provide their services from the opportunity phase through contract completion in the areas of GAAP compliance, internal controls, budgeting/forecasting, contract profit and loss management, and advisory services to our customer leadership teams and corporate leadership.

Primary Responsibilities:

• Assisting with the preparation of engagement, project, and program reporting as well as Accenture internal financial accounting processes
• Executing or assisting with tracking and reporting of third-party out-of-pocket expenses, hardware/software costs, and client time and expenses against program budget, and any other expense charges to program budget
• Monitoring or advising on engagement financial status and engagement capital assets and technology rental equipment
• Performing or assisting with reconciliation processes, data and report archiving, forecast management activities, and contract compliance tracking
• Providing value-added financial management, analysis, and advice to client engagement teams to maximize the profitability of engagements
• Ensuring compliance with U.S. GAAP, Accenture finance policies and local statutory requirements
• Preparing or assisting in the development of pricing calculations for engagements

Qualifications:

• Bachelor's degree in Accounting or Finance OR Other Business Related major with a minimum of 9 credit hours of Accounting
• Minimum overall GPA of 3.2 OR one year of relevant experience with a minimum overall GPA of 3.0
• Applicants for employment in the US must have work authorization that does not now or in the future require sponsorship of a visa for employment authorization in the United States and with Accenture (i.e., H1-B visa, F-1 visa (OPT), TN visa or any other non-immigrant status).

Preferred Skills

• Financial accounting experience including reconciliation, invoice preparation, processing financial transactions, and preparing financial budgets, etc.

Other Professional Skill Requirements and Qualifications

• Strong analytical skills
• Good oral and written communication skills
• Strong organizational, time management and multi-tasking skills
• Strong PC skills
• Ability to work independently
• Ability to interact with executives
• Attention to detail
• PC literate (e.g., working knowledge of MS Office Programs)
• Proven ability to work independently and as a team member
• Ability to be flexible and work creatively and analytically in a problem-solving environment
• Good communication (written and oral) and interpersonal skills
• Excellent customer service skills
• Strong organizational and analytical skills
• Demonstrated leadership in professional setting; either military or civilian
• Demonstrated teamwork and collaboration in a professional setting; either military or civilian

Application Instructions: You must complete an online application to be considered for an interview.

Guidelines

If you previously applied for a position at Accenture (e.g., internship), use the User ID and password you created at that time.

To save your application and come back to it at another time please ensure you have completed the page you are working on, after which you can save your application and return to it later. You will need your log-in user name and password to do this – make sure to note it for future reference. Please note that you must fill in all asterisk (*) fields to move to the next page.

Required fields

1. Please indicate how you heard about our job opportunities.
   a. Source Type: University Recruiting
   b. Specific: Career Center (do not select University Career Center)
   c. Personal Information: Enter all relevant information

2. Employment Questionnaire page – Please make sure to answer all of the questions on this page.
   a. Job Specific Questions – Please answer all questions on this page.
   b. Work History & Education – Please complete this section with all of your work experience and education to date.
      i. Please fill in the name of the company, the dates of employment, your responsibilities, your supervisor name, supervisor number, and “May we contact your supervisor” (must be answered with “Yes” or “Yes, After Offer”).
      ii. Please complete the schools you have attended, the dates of attendance, education level, Overall GPA (not rounded), and percentage of degree already completed.

3. Document Attachment – Please attach a resume and transcript to your application
4. Review your entire application and upon verifying the information is accurate, click submit

If you confront any technical difficulties along the way please use the Help function.
After submitting your application, you will receive system-generated acknowledgment(s) from “Human Resources”. Note that this does not mean you have been selected to interview with Accenture. Please refer to your campus career center posting/website to determine whether you have been selected for a first round interview with Accenture.

About the Organization:

Join Accenture and help transform leading organizations and communities around the world. The sheer scale of our capabilities and client engagements and the way we collaborate, operate and deliver value provides an unparalleled opportunity to grow and advance. Choose Accenture, and make delivering innovative work part of your extraordinary career.

Professionals in our corporate functions run and manage Accenture's internal operations and all activities across our business, from finance, HR and legal to workplace management, operations and marketing and communications. They are the engine that powers Accenture, enabling us to provide the capabilities and expertise that clients need to help them become high-performance businesses.

Finance professionals prepare and interpret financial plans and reports, ensuring accuracy and compliance with applicable financial rules and regulations, including internal financial controls, to mitigate risk for the company. Finance professionals may also shape and execute client deals to maximize the use of Accenture's capital and resources, manage cash and/or liaise with the investor community.
