Job Description:

The Financial Services Group of Crum & Forster is looking for a multi-talented, dynamic Accountant with 2 –4 years of insurance accounting experience to join the Statutory Financial Reporting Group.

Primary Responsibilities:

- Prepare quarterly and annual statutory financial statements, footnote disclosure, exhibits and schedules for NAIC and state filing
- Prepare deliverables for the statutory filings for 25 states including NAIC and US Treasury
- Respond to state regulatory authorities regarding quarterly/annual statement review
- Perform general ledger and subject premium/reinsurance reconciliations
- Perform fluctuation analytics for balance sheet, PL, and cash flow
- Assist with preparation of the audited financial statements and interact with internal/external auditor
- Assist with preparation of the quarterly statutory update to be current with accounting requirements
- Assist in Ad Hoc Project

Qualifications:

Accounting Requirements:

- Possess a basic understanding of Statutory Accounting Principles and knowledge of GAAP
- Stay current with statutory rules and regulations and determine impact on the financial statements
- Strong analytical and accounting skills

Technological Requirements:

- Intermediate experience with Excel, Word and Outlook (familiarity with Access a plus)
• Intermediate knowledge of major accounting software packages for both general ledger and statutory accounting (SunGard EAS and Wings preferred)
• Familiarity with mainframe systems and report writers such as Business Objects and TM1

*Interpersonal and Communication:*

• Ability to work and communicate well with other staff and other functional departments within the organization
• Regularly communicate with supervisor and makes him/her aware of current work load

*Organizational:*

• Ability to accept, initiate, and implement changes in process in a fast paced work environment
• Ability to organize and prioritize work and follow up on issues
• Ability to work with minimal upfront guidance and take ownership of work product

*Education/Experience:*

• Bachelors of Science in Accounting
• 2 - 4 years of experience in the insurance and accounting industry, preferably in the property and casualty industry

*Application Instructions:*

Interested candidates should send their resume to Annmarie Pienik at Annmarie.Pienik@cfins.com and reference requisition #1813.

*About the Organization:*

Crum & Forster is a leading national property & casualty insurance company with a large, diversified specialty platform. We protect businesses and organizations from the unpredictable nature of risk, allowing them to take on new challenges and flourish in today's increasingly complex and uncertain world.

• With deep roots going back to 1822, we are proud of our history and excited about our future.
• Our most valuable asset is our people - 1900 employees in 55 locations throughout the United States.
• We are hard-working, dedicated to our communities, and driven to do our best every day to deliver customized products and services to our clients.

Crum & Forster is a part of Fairfax Financial Holdings Limited, a global firm engaged in property and casualty insurance, reinsurance, and investment management. Fairfax (FFH.TO) has revenues of over $10 billion and is traded on the Toronto stock exchange.
