About the Organization:

About New Jersey Campus Compact Collective Impact AmeriCorps VISTA Program
New Jersey Campus Compact is building a cohort of AmeriCorps VISTA members to support the anti-poverty work of 18 large-scale, cross-sector organizations focused on increasing education, economic opportunity, and healthy futures. One of our partners is the Orange Community Schools.

About Orange Community Schools Orange Community Schools’ (OCS) mission is to break the cycle of poverty in Orange, NJ by transforming local schools into full-service community education and health centers that help students and their families succeed. OCS operates at Rosa Parks Elementary and Oakwood Avenue Middle School, it is led by Montclair State University with funding from the US Dept. of Education. OCS collaborates and pools the resources and expertise of educators, faculty, and volunteers from Drew University, the Public School District, nonprofits, and residents.
