- Create and implement rigorous lesson plans, with clear and measurable objectives to meet academic standards
- Collaborate with colleagues to develop and implement strategies for all students to reach success
- Deliver whole class, small group, and individual instruction in an engaging and motivating manner that fosters student achievement
- Provide consistent rewards and/or consequences for student behavior
- Use frequent formative and summative assessments and data analysis to drive lesson planning and delivery of instruction and achieve ongoing improvement in students' academic achievement
- Communicate regularly and maintain strong relationships with students and families
- Attend a minimum of seven school-wide evening events per year
- Continue to develop professionally by participating in professional development opportunities within and independent of the school environment

Qualifications:

- Firm belief in the ability of all students to achieve at high levels, and high expectations for low-income children to become college ready and attend selective universities.
- New Jersey teacher certification
- Bachelor’s degree required, Master’s degree preferred
- Excellent written and verbal skills
- Experience teaching in an urban environment, with demonstrated quantifiable and objective student performance gains
- Demonstrated ability to work well in a team, particularly with parents and community members
- Self-reflective and analytical problem solver
• Openness to feedback, willingness to take personal responsibility, and a desire to learn from others
• Unwavering in pursuit of excellence even in the face of difficult opposition and challenges
