SERV Behavioral Health System, Inc.

Title: Residential Counselor

Location: Clifton, NJ

Job Type: Full-Time (Entry Level)

Compensation Type: Hourly

Start Date: ASAP

Job Description: SERV, a well-established leader in behavioral healthcare in NJ, provides a wide range of quality residential and support services. We are in need of compassionate and caring individuals who would like to support our consumers in achieving greater independence and life satisfaction.

Primary Responsibilities:

- On-site direct behavioral health care services to the agency’s adult and geriatric clients
- Daily structure and coverage to the residence, which include supervision and assistance of clients with:
  - Daily living skills
  - Client care needs
  - Case management
  - Medication monitoring
  - Transportation service
  - Supportive counseling
  - Crisis management
  - Recreational and social activities
- Communication of all significant changes in clients’ behaviors and notable incidents to the appropriate team leader
- Documentation on client chart
- Advocacy for community resources
- A safe and therapeutic environment while adhering to all safety standards, government regulations, and corporate policies

Qualifications:

- Bachelor’s degree with a major in a mental health or other appropriate human services discipline
- If the Bachelor’s degree is not in the human services field, the candidate must have at least 1 year of related work life experience
- Additional qualifications can include an RN or LPN with 2 years of related work life experience
- Valid driver’s license in state of residence and no more than 5 points on driving record
- Must be at least 21 years old
- Must be able to successfully complete a physical, drug screen and background check
