The Cambridge School

Title: Secondary Mathematics Teacher

Location: 100 Straube Center Blvd, Pennington, NJ, 08534

Job Type: Full-Time (Entry-Level)

Compensation Type: Salary

Start Date: ASAP

Job Description: Cambridge School is seeking a Secondary Mathematics Teacher to teach standard secondary coursework algebra I through calculus. Candidates who have completed, or who are willing to enroll in an alternate route program to certification are also eligible to apply.

Qualifications: We welcome resumes from dynamic and passionate educators and therapists who have experience, or a desire to work with bright children with learning disabilities — or as we prefer to say, learning differences. We seek team players who can join and contribute to our highly collaborative environment. At Cambridge School, each teacher is trained as a language specialist and is provided with continuing education and certification in research-based programs. Cambridge School faculty members are expert and caring professionals who reap the rewards of making a difference in the lives of children who learn differently and their families.

Application Instructions: Please submit your resume and cover letter to: James Maher, Head of School (jmaher@thecambridgeschool.org)

Disclaimer Information: Cambridge School is an equal opportunity employer. We pledge to provide equal employment opportunities without regard to race, color, creed, national origin, religion, sex, sexual orientation, age, marital status, or disability.
