Commercial Metals Company

Title: Intern

Location: Fort Lee, NJ

Job Type: Summer Co-op/Internship

Compensation Type: Hourly

Start Date: 5/16/2016  Application Deadline: 5/6/2016

Job Description: Paid summer internship at CMC Cometsals, international trading company located in Fort Lee, NJ at the foot of the George Washington Bridge into New York City.

Interns will perform functions in many facets of the business, including supply chain management, market research, accounting, database management, logistics, and client services. Interns hired for this position will have full exposure to CMC Cometsals’ trading operations in the metallurgical, minerals, and chemical industries, and will gain invaluable applicable business skills.

This internship will be a two to three month summer program and will begin in May. Start and end dates are flexible depending on the intern’s school schedule. We can validate the internship for any credits the candidate might receive at school. Interns that are selected have the potential opportunity to become permanent employees after graduation.

Primary Responsibilities:

Interns will perform functions in many facets of the business, including:

- Supply chain management
- Market research
- Accounting
- Database management
- Logistics
- Client services

Interns hired for this position will have full exposure to CMC Cometsals’ trading operations in the metallurgical, minerals, and chemical industries, and will gain invaluable applicable business skills.

Qualifications:

- Excellent communication, presentation, time management, decision-making, organizational, detail-orientation and problem solving skills
- Proficiency with Microsoft Office Suite (Excel, PowerPoint, Word)
- Demonstrated ability to multi-task and work in a fast-paced environment
- Dedication to teamwork and collaboration
- Ability to take the initiative and drive for results
- Must be currently enrolled in an accredited college or university program
- GPA 3.0 or better
Application Instructions:

About the organization: CMC Cometals is a leading international trading company dealing in a variety of industrial raw materials. Our depth of experience in financing, logistics, and marketing, along with our strategically located offices worldwide, enables us to serve our clients’ needs from a truly global perspective.

CMC Cometals is a division of Commercial Metals Company, a Fortune 500 company listed on the NYSE.
