The Department of Homeland Security - CyberSkills Management Support Initiative

Title: Cyber Student Volunteer

Location: Nationwide

Job Type: Summer Co-op/Internship

Compensation Type: Stipend

Start Date: May 2016          Close Date: 9/1/2016

Job Description: The DHS Secretary's Honors Program Cyber Student Volunteer Initiative is specifically designed to provide current undergraduate and graduate students with cybersecurity-focused volunteer assignments intended to complement their coursework and expose them to the field of cybersecurity.

Primary Responsibilities:

Selected students will support the cybersecurity mission at one of the following DHS components: Customs and Border Protection (CBP), the Office of Intelligence and Analysis (I&A), Immigration and Customs Enforcement (ICE), the National Protection and Programs Directorate (NPPD), the Office of the Chief Information Officer (OCIO), the Transportation Security Administration (TSA), or the United States Coast Guard (U.S. Coast Guard).

Qualifications:

You must meet the qualification requirements listed below by the closing date of this announcement:

- Be a U.S. citizen.
- Be currently enrolled at least half time in pursuit of an Associate's, Bachelor's, or Master's degree at an accredited college or university with 1) a major in science, technology, engineering, or mathematics (STEM); 2) a major in cybersecurity-related studies; and/or 3) an interest in working in the field cybersecurity upon graduation.
- Have projected graduation date of September 2016 or later. (Note students scheduled to graduate prior to September 2016 are not eligible for this program—unless they are graduating with an Associate's degree and pursuing a Bachelor's degree, or they are graduating with Bachelor's degree and pursuing a Master's degree).
- Possess a cumulative GPA of 3.0 on a 4.0 scale that can be verified via a Fall 2015 transcript that includes all courses taken to date.
