Nature’s Bounty

Title: Graphic Design Summer Internship

Location (address, city, state): Leonia NJ

Job Type: Co-op/Internship

Compensation Type: Hourly Wage (optional): $14.00

Start Date: 6/6/2017 Close Date: 5/30/2017

Job Description: The Nature’s Bounty Co. Natural Products Group is looking for a talented Graphic Design Intern to join our in-house team. Working with our marketing and art departments, you will be responsible for conception, designing, and creating a wide range of materials to support multiple vitamin and supplement brands.

Primary Responsibilities: The graphic design intern will be responsible for the conceptualization, design, and implementation of various materials such as:

• print & digital ad campaigns
• package design
• sales support materials such as brochures and mailers
• in-store display materials
• trade show graphics, posters and banners

Qualifications: Rising junior or senior with any of the following concentrations: Graphic Design, Fine Art, Advertising, Marketing, Communications

Application Instructions: Please send resumes to: nwaldemar@nbty.com
