Kiddie Soccer

Title: Soccer Coach/Instructor

Location: Montclair, NJ and surrounding area

Job Type: Part-time

Compensation Type: Hourly  Wage: $20/hour

Start Date: 9/15/2017

Job Description: We are a company that conducts soccer programs for preschool age children. Our programs are held in both parks and at preschools throughout New Jersey. They are held on weekdays between the hours of 9:00 and 5:00 and on weekends between the hours of 9:00 and 12:00.

We have openings for new coaches throughout Northern NJ (Essex, Morris, Hudson, Bergen, Passaic) for our upcoming Fall season. We'll be holding our program in over 150 locations throughout NJ and we have averaged approx. 2,500 children in prior Fall seasons. So there is plenty of work to be had for the right person. Please note that we hold a lot of programs in the immediate Montclair area.

Our Fall season will begin the weekend of September 16/17 and run through to early-November. This is a part-time position. Our coaches work anywhere from 2 to 12 hours per week. Our typical coach works about 4-5 hours per week. This is a great job for someone looking for some part-time work to schedule around their school hours or any other part-time or full-time job(s) they may have. In the past, the following types of people have worked out very well for us:

• College students
• Graduate school students
• Teachers looking to make some additional income after school hours (3:00 to 5:00) and/or weekend mornings
• People working multiple part-time positions
• People who are currently unemployed and conducting a job search for a full-time position
• Soccer coaches who train club teams, but are looking for additional work on weekday mornings and early afternoons (before their club team training sessions)

Qualifications: A potential candidate will have experience in both soccer (playing, coaching, etc.) and working with children (teaching, coaching, baby-sitting, camp counseling, etc.). Ideally, a potential candidate will have experience working with preschool age children in a group setting. Most importantly, they will have the right personality and demeanor to work with young children. By this we mean that they are energetic, upbeat, charismatic and the type of person that can captivate a group of 3 to 5-yr. olds for a 1-hour soccer session. While a background in soccer is preferred, if you don't have that, but have participated in other organized sports, that can work as well.

Application Instructions: Interested candidates should send us an email to jobs@kiddiesoccer.com listing ALL of the following. If you don't provide ALL of the information requested, you will not be viewed as a serious candidate.

• In the subject line of your email reply, please write the name of the town in which you reside in.
