Lifelong Learning Academy

Title: STEM Instructor
Location: Montclair, NJ
Job Type: Part-Time
Compensation Type: Hourly
Start Date: ASAP

Job Description:
Do you love science or robotics? Can you code? Do you have a warm and friendly personality that commands a room?

Join L3 Academy and inspire, educate and create a fun, energetic learning environment that sparks a child's curiosity. L3 Academy is a seriously fun learning center and birthday party venue and we’re looking for professionals for our STEM after school programs in Essex and Union counties. Our mission is to encourage insatiable curiosity and foster a lifelong love of learning through experiential STEM learning programs.

Primary Responsibilities:
- Deliver engaging STEM workshops 8-10 weeks in length for students ranging in age from PreK-6th grades
- Prepare the workshop location for efficiency and seriously fun learning!
- Form lasting relationships with L3 Academy students and families
- Utilize L3 Academy curriculum to inspire a lifelong love of learning and fan the flames of curiosity through hands-on activities
- Assist in workshop clean-up and organization

Qualifications:
- Knowledge or experience in any of the following: Education/Teaching, Science, Technology or Programming/Computer Science (i.e. LEGO® Robotics/Scratch/Alice/Kodu/JAVA/Minecraft), Engineering and Mathematics
- Dependable, punctual and responsible individual with high energy and a child-friendly persona
- Ability to work independently in a classroom setting to confidently manage a group of children
- Travel to location of workshops or at our main location in Montclair, NJ. Clean driving record and a car is a must to bring materials to class.
- Documentation of legal U.S. residency
- Experience working with children is a must
• Ideal candidates are former teachers, education majors, STEM based majors and even theater majors with a growth mindset!. Current college students are welcome to apply as this position is an excellent way to gain field/teaching experience while building your resume!

• Flexible work schedule with the ability to work after 2pm on weekdays and/or Saturday mornings.

**Application Instructions:**
