Riverview Gymnastics

Title: Gymnastics Coach/Instructor

Location: 22 Riverview Drive Wayne, NJ 07470

Job Type: Part-time

Compensation Type: Hourly

Start Date: ASAP

Job Description: Riverview Gymnastics is looking for talented, active, and caring individuals to join our gymnastics programs. We are seeking instructors for our Recreational Class Program and an assistant coach for our expanding competitive XCEL Program. Must love working with children of all ages and abilities. Instructors will plan, organize, and instruct pre-school through intermediate gymnastics and tumbling classes. The knowledge of gymnastics is a MUST; however, teaching experience is preferred. More experienced candidates will benefit from a higher wage.

Primary Responsibilities:

- Ensure the safety of all students
- Provide a fun and instructional class experience
- Safely teach progressions of gymnastics skills
- Cooperate with other instructors, coaches, and office managers

Qualifications:

- Knowledge of the sport of gymnastics;
- Willingness to be a team player and hard worker
- Enthusiasm as you work
- A love for children
- Exceptional communication skills with both adults and children

Application Instructions: Email your resume to info@RiverviewGymnastics.com with the subject line “Recreational Gymnastics Instructor”. You can also call at 973-646-8181. Refer to the MSU job ad.

About the Organization: At Riverview Gymnastics, we guarantee a fun, cooperative, and friendly environment where we specialize in recreational gymnastics for boys and girls, men and women of all ages. You can join us for special events including our open gym and parents’ night out as well as celebrating your birthday or your special event at our facility. Through our expertise and successful experiences with every student, we ensure our coaches will enhance the development of physical condition, overall strength, and coordination along with instilling higher self-confidence, a positive self-image, and cooperative learning skills. Our students will learn body awareness, problem solving, and fitness skills that encourage a positive attitude towards active participation, health, and physical fitness. We build strong bodies and shape the minds of many!
