Title: Master Math Tutor  

Location: 300 Pompton Road, Wayne, NJ 07470  

Job Type: Part-Time  

Compensation Type: Hourly  

Start Date: 9/6/2017  

Job Description: The Academic Success Center at William Paterson University seeks to fill (2) part time mathematics tutoring positions. We are seeking individuals to work one on one and in small groups with students to improve their math skills. This will be accomplished by reviewing class material and working through sample problems with students. The individuals selected must have the ability to multi-task, work well under pressure and have strong communication skills. The selected candidates must be well versed in the subjects listed below:

- Basic Mathematics with Algebra  
- College Algebra  
- Pre-Calculus  
- Calculus I & II  
- Elementary Statistics  
- Statistics I  

Qualifications:  

- B.A. in Pure or Applied Mathematics is required.  
- Two years of experience as an instructor or tutor is preferred but not required.  
- Two professional recommendation letters are required.  
- Selected candidates must be available to work some nights and Saturdays.  

Application Instructions: All interested candidates, please email a resume and cover letter to Krista James at jamesk9@wpunj.edu.
