William Paterson University

Title: Math Praxis Instructor

Location: 300 Pompton Road, Wayne, NJ 07470

Job Type: Part-Time

Compensation Type: Hourly  Wage: $3,750 per semester

Start Date: 9/13/2017

Job Description: The Academic Success Center at William Paterson University seeks to fill (1) part-time Math Praxis Instructor position. We are seeking an individual to work one on one and in small groups with students to improve their math skills for the Praxis. This will be accomplished by reviewing and working through sample problems with students. The individual selected must have the ability to multi-task, work well under pressure and have strong communication skills.

The selected candidates must be well versed in the subjects listed below:

- Basic Mathematics with Algebra
- College Algebra
- Pre-Calculus
- Calculus I & II
- Elementary Statistics
- Statistics I

Qualifications:

- B.A. in Pure or Applied Mathematics is required
- Past experience taking the Math Praxis exam is preferred but not required
- Two years of experience as an instructor or tutor is preferred but not required
- Two professional recommendation letters are required
- Selected candidates must be available to work some nights and Saturdays

Application Instructions: All interested candidates, please email a resume and cover letter to Krista James at jamesk9@wpunj.edu.
