Yogi Berra Museum

Title: STEM & Literacy Educators

Location: 8 Quarry Rd, Little Falls, NJ 07424

Job Type: Part-time

Compensation Type: Hourly

Start Date: ASAP

Job Description: Teach or co-teach students ages 10 and up (5th thru 12th grades) in one or both of the following capacities:

1. Various STEM-related topics as they relate to sports in general, baseball in particular.
2. Literacy through poetry writing and spoken word that examines “Yogi-isms”, Yogi Berra’s life and students’ own lives.

Lesson plan content curriculum is written and developed by the museum and all educators will be trained in such content.

Primary Responsibilities:

- Lead creative, hands-on lessons and activities for middle and high school student groups as part of museum’s interactive educational programming
- Work as a team member with staff across multiple disciplines to create cohesive quality learning opportunities
- Execute evaluation protocols for all program participants

Qualifications:

- B.A. or B.S. degree coursework in progress; completed degree preferred
- Some content knowledge of science, technology, engineering, math, poetry writing and spoken word recommended
- Basic understanding of baseball preferred
- One or more years’ experience working with children in an educational setting, (i.e., school teacher, enrichment program, afterschool program, or summer camp). Middle and high school experience preferred
- Familiarity with object-based learning and child development
- Strong communication skills preferred
- Public speaking skills preferred

Application Instructions: Hourly wage competitive and commensurate with experience. Please send resumé and cover letter to:

Eve Schaenen, Executive Director
