Yukōdit
Title: After-school Program Facilitator
Location: Montclair, NJ
Job Type: Part-Time
Compensation Type: Hourly      Wage: $12-$15
Start Date: ASAP

Job Description: The After-School Technology Program Facilitator is a part-time position with flexible schedule options. We are currently looking for dynamic individuals who share our passion for technology education, entrepreneurship and working with kids. The ideal candidate:

Primary Responsibilities: Facilitate engaging online and offline activities for K-12 children

Qualifications: College degree with some teaching experience preferred, although current students and recent graduates are strongly encouraged to apply. A background in Computer Science or demonstrable programming experience. Experience working with kids, and an interest/background in computer science, graphic design or business. Applicants should be available to work two or more days per week at the center during regular hours of operation (Monday-Friday from 3-7p and Saturday from 9a-4p);

Application Instructions: Email resume to Molly Webber at molly@yukodit.com

Disclaimer Information
About the organization: The mission of Yukōdit is to equip children of all abilities, ages and backgrounds with the technical, collaborative and design thinking skills to succeed in their futures. In July 2016, we opened our first learning center located in Montclair, NJ. The center is an inviting place that encourages children (K-12) to explore and create in the digital world.

Disclaimer information: Yukōdit is an equal opportunity employer and does not discriminate on the basis of race, sex, color, creed, sexual orientation, national or ethnic origin, veteran or handicapped status in its hiring policies.
