Need to get advisement in the History Department?

Which of the following statements best describes your situation?

I am a transfer student, a sophomore, junior or senior and have declared a Major or Minor in History.

As a history major or minor you have been assigned a faculty advisor. The name of your faculty advisor is listed in your WESS screen. You can find the contact information for your faculty advisor by going to the History Department Website. Depending on the nature of the advice that you need, please choose one of the following options:

a) I need advice about which courses to take.
b) I need to know if I can graduate.
c) I have a question about my analysis of progress or my final audit.

d) I cannot contact my advisor AND/OR my advisor could not answer my question.

Contact your faculty advisor

I am in my freshman year and have declared History as my major.

I am NOT a History Major.

If you are undeclared, the Office of Academic Advising will provide you with an advisor. Depending on the nature of your concern please choose from the following options:

a) I need a credit adjustment for a History course that transferred to MSU.
b) I need permission to take History courses at another institution.
c) I need permission to register in a History course.
d) I cannot contact my advisor AND/OR my advisor could not answer my question.

d) I have a question about a course offered in the History department.

Go to the Office of the History Department and complete the form.

5.- I want to declare a major or a minor in history.

I am interested in applying to the Social Studies Teacher Certification Program.
