Wapalanne Campus

Sequoya Campus

**ECO DISCOVERY**

(Answer Key)

Instructions:
1. Choose one person who will be in charge of this form and who will record your answers to all questions.
2. Read ALL the questions on both sides of the paper before writing down any answers.
3. Keep the group together as much as possible.
4. Teachers or adult supervisors SHOULD NOT take charge of the groups. ECO DISCOVERY is to be done by the students without any help from the adults, until the discovery activity is completed. Adults can review the answer key with the students, if interested, AFTER sites on the discovery search have been reached, or data about the site found.
