Center for Environmental and Life Sciences (CELS)
Use and Rental Policy

PURPOSE:

MSU’s primary mission is to provide educational services and facilities to support its core academic mission and to enhance student life. The facilities in CELS are primarily intended for educational and co-curricular activities conducted or sponsored by the College of Science and Mathematics (CSAM).

When classes are not in session, CELS’s Atrium/Patio and 1st floor lecture rooms 110 and 120 may be made available to other MSU and recognized MSU-affiliate and relevant external organizations for purposes that are consistent with, or enhance the mission of, the University and are in the interest of the College and academic community. CSAM reserves the right and holds the authority to define and determine the appropriateness of all requests to use the facility.

The purpose of this document is to provide an understanding of the policies for the use/rental of the CELS Atrium/Patio and lecture rooms use via advanced reservation and confirmation.

AVAILABILITY:

The Atrium/Patio and 1st floor lecture rooms 110 and 120 may be reserved for special events by CSAM departments, MSU departments/divisions, MSU-affiliated organizations or relevant external organizations. The Atrium/Patio and lecture rooms are available for uses external to the College of Science and Mathematics and outside the core mission of the University with appropriate facility use charges as outlined in this document.

Availability of the Atrium/Patio and lecture rooms can be viewed at http://www.montclair.edu/csam/room-reservations/.

REQUEST FOR USE:

Availability of the desired room must first be checked prior to submitting a request for use. The request form available at http://www.montclair.edu/csam/room-reservations/form/ must be submitted to the Office of the Dean, CSAM, at least two weeks prior to the date of the event. A request does not imply confirmation. A request for a reservation is only confirmed in a follow-up message from the CSAM Dean’s Office.

A request for use of the facility by an organization that is directly affiliated with a University department must be submitted by the sponsoring University department. The sponsoring University department must demonstrate their link with the organization and how they will be involved in development, support and management of the event and must receive substantial credit as a co-sponsor of the event on all publicity materials. The facility will not be used for any social activity not directly related to CSAM or the University.
Off campus agencies or organizations that are relevant to the core mission of the University may rent spaces available in CELS according to guidelines below. External organizations will not have access to these rentals for purposes of non-official, non-academic, or non-STEM related functions. The facility will not be used by external organizations for social, political, or religious functions.

Multiple requests received within a 48 hour period will be prioritized as follows:

- CSAM instructional/educational/scholarship activities.
- CSAM events, conferences, symposia
- CSAM hosted meetings or other relevant gatherings
- MSU instructional/educational/scholarship activities.
- Other internal MSU Department, College, School events
- MSU affiliated/sponsored events in partnership with external organizations
- External organizations

GUIDELINES FOR USE:

The Atrium/Patio and lecture rooms may be used when approval is granted within the guidelines of this policy. The use of facilities by non-CSAM and external organizations, such as organized civic, cultural, industrial, public and private school, service or professional organizations and associations, may be authorized provided that:

1) Within time frame outlined above (priorities) CSAM use of all CELS facilities shall have priority over other groups.

2) A rental charge for the use of facilities will be made by CSAM according to the Schedule of Charges with the exception that State agencies are not charged rental fees, but are responsible for other costs associated with the event including food, special arrangements, parking, etc.

3) The group agrees to take all precautions to assure the physical safety of participants and MSU property and to release the University from any liability or responsibility in conjunction with the use of the facility. A damage deposit may also be required.

4) Final agreements may be modified or amended only by a written agreement signed by the parties including a designated representative of the Dean of the College of Science and Mathematics.
5) CSAM shall have no responsibility whatsoever for any liability, claims, or damages for the use of the facility during the event and until such time as the facility is restored to its' original status prior to the event. User shall be solely responsible for, and shall protect, indemnify and hold MSU and its employees harmless from and against any claims, liabilities, loss, damage, cost or expense (including reasonable attorney fees) arising from, relating to or caused by the event including, but not limited to, any bodily or property damage sustained by any individual or by MSU including damage, theft or damage to any part of the facility, or any other claims, demands, damages or liabilities of any type or nature.

6) No modifications to CSAM facilities without permission.

7) External organizations may either bring in food and beverages or make arrangements through MSU catering services (973-655-4224 or 973-655-7707). In the former situation, the external organization is responsible for the set-up and removal of all food and beverages and restoring the facility to the pre-event condition.

8) The use of facilities is limited to those activities that do not conflict with the general aims and purposes of the University, and do not violate University regulations or local, state or federal laws (e.g. health and safety standards, use of alcoholic beverages).

9) The activity must be suited for the CELS facilities available.

10) Approval to use facilities does not imply approval of the aims and purposes of either the sponsoring organization or the event being planned.

11) Facilities are not available for the conduct of regular religious services or campaign-related political events.

12) The servicing of alcoholic beverages must be done in accordance with University policies. CELS is not listed as an alcohol accessible building. Special permission must be gained through the Office of the President.

13) Smoking is not permitted within 20 ft. of the building.

14) Use of facilities where minors are participants requires adult supervision. The CSAM Dean’s office reserves the right to terminate an event if sufficient adult supervision is not present. CELS is an academic facility with serious ongoing scholarship. Major disruptions though excess noise or other activities that hold the potential to disrupt the prime mission of the building are prohibited.

15) Fees are based on prudent use of facilities. Damages caused by outside groups will result in an additional charge being levied on that group.
16) Event participants are not permitted to access other parts of CELS without prior permission and the escort of CSAM Student Ambassadors or other staff/faculty/administrator holding an official role within the CSAM.

**Fees:**

Groups are responsible for compensating CSAM for the appropriate costs associated with preparing for, hosting, and recovering from their event. This could include, but not limited to rental fees, technical support, custodial support outside normal hours, security, maintenance and/or other personnel required by specifics of the event. The CSAM Dean’s office, in correspondence with the responsible party, shall determine the number and type of personnel necessary to support a requested event.

All MSU departments must provide a valid account number to be debited to cover anticipated expenses. These expenses cover the Student Ambassador fees.

MSU-affiliate and external groups must pay anticipated costs in advance of the event. The group may be billed for additional personnel not included in the agreement if additional personnel are determined by the CSAM Dean to be necessary or needed during the course of the event.

MSU-Affiliate and external organizations agree to pay applicable fees by certified check or money order made payable to “MSU- College of Science and Mathematics.”

**Equipment:**

Groups wishing to use their own equipment must request and receive approval from the CSAM Dean’s office. Use of Atrium large format monitor can be arranged for an additional $50.00 fee.

**Food Service:**

All food services and associated logistics for events are to be arranged by the users. MSU catering services: 973-655-4224 or 973-655-7707.

**Parking:**

There is a per car parking fee charge. Groups should contact MSU parking services for parking logistics and to purchase parking vouchers by phone: 973-655-7580, or Email: parking@mail.montclair.edu.
FEE SCHEDULE:

Rental Fee: Between 8 am and 5 pm M-F when school is in session $50.00/hour
(plus ½ hr prior to and ½ hr after the conclusion of the event)
