PURPOSE:

MSU’s primary mission is to provide educational services and facilities to support its core academic mission and to enhance student life. The facilities in CELS are primarily intended for educational and co-curricular activities conducted or sponsored by the College of Science and Mathematics (CSAM).

When classes are not in session, CELS’s Atrium/Patio, 1st floor lecture rooms 110 and 120, and second floor lounges may be made available to other MSU and recognized MSU-affiliate and relevant external organizations for purposes that are consistent with, or enhance the mission of, the University and are in the interest of the College and academic community. CSAM reserves the right and holds the authority to define and determine the appropriateness of all requests to use the facility.

The purpose of this document is to provide an understanding of the policies for the use/rental of the CELS Atrium/Patio and lecture rooms use via advanced reservation and confirmation.

AVAILABILITY:

The Atrium/Patio and 1st floor lecture rooms 110 and 120 may be reserved for special events by CSAM departments, MSU departments/divisions, MSU-affiliated organizations or relevant external organizations. The Atrium/Patio and lecture rooms are available for uses external to the College of Science and Mathematics and outside the core mission of the University with appropriate facility use charges as outlined in this document.

A request does not imply confirmation. A request for a reservation is only confirmed in a follow-up message from the CSAM Dean’s Office.

The sponsoring University department must demonstrate their link with the organization and how they will be involved in development, support and management of the event and must receive substantial credit as a co-sponsor of the event on all publicity materials. The facility will not be used for any social activity not directly related to CSAM or the University.
