Welcome To

MONTCLAIR STATE UNIVERSITY!!!!
Know the Rules!!!

Please review the University Code of Conduct located at:

montclair.edu/dean-of-students/student-conduct/code-conduct/

Every student is held accountable to the Code.

Every student needs to be knowledgeable about and abide by all policies.
General Guidelines

Standard of Evidence/Legal
1. Preponderance of evidence---i.e. more likely than not.
2. Not affected by criminal system/outcomes.
3. Montclair State has University Police (not security).

Complicity
1. If in proximity of violation, can be held responsible for violation.
2. If aid in violation, can be held responsible for violation.
3. Remove yourself immediately; do not chance it.
Notice
1. Notice is sent via University email.
2. Considered delivered when sent.
3. Students are expected to check their University emails daily.

As of today...you are a RED HAWK!!!
“What Happens?”

1. Incident happens and is reported by faculty, RES staff, Police, etc…

2. Student will receive a Conduct Conference Meeting (CCM) request letter from an administrator via University email to come and discuss the options provided for the student in the conduct process.

3. If a student fails to meet, a decision will be made without the student’s input; a plea of not responsible will be entered on behalf of the student. However, the student loses appeal ground of “additional evidence” if they do not attend.
“What Happens?”

4. The student will choose one of the following for resolution of the issue:

- **University Administrative Hearing (UAH)**—only the student and the administrator; can have University Adviser* present.

- **University Panel Hearing (UPH)**--- student goes before a group consisting of faculty, administrators and students. Student can have either one University Advisor* or one Legal Counsel* with them but only the student can speak during the process. Student can also have event witnesses present (not character witnesses).

*University Advisor and Legal Counsel have extremely limited roles in process; can only advise student to answer/not answer questions posed during the hearing.
“What Happens?”

5. The student will receive the outcome via University email.

6. The student has the option of one-level of appeal based on the following criteria within three business days of outcome being delivered electronically:
   - Procedural error or bias can be proven
   - Additional evidence can be provided
   - Sanction is unduly severe

7. The student will receive appeal outcome via University email. Appeal outcome can drop original outcome, modify it or keep it the same. No increase of sanction will occur.

8. The process concludes. **THERE IS NO APPEAL OF AN APPEAL.**
Review of Policies

FERPA

The *Family Educational Rights and Privacy Act of 1974*, commonly referred to as FERPA, is a federal law that is designed to protect the privacy of and limit access to the educational records of students. In short, all educational records are strictly the student’s business unless the student gives a third party the right to this information in writing.

The University holds that without a waiver signed by student, an administrator is not able to speak on any incident involving the student with another party. *Speaking does not mean “negotiate an outcome”*. 

There are no “blanket” waivers. A new waiver would be required for each individual incident.
Online Educational Programs

• University is dedicated to assist students in understanding risks associated with alcohol/drug usage/sexual assault

• Incoming students will have to take online courses in **August** (has brief follow-up 30 days later). Full completion is required.

• If fail to complete, will result in conduct action.

Remember---
Ignorance is not an Excuse

Our goal is to allow students a safe environment conducive to their learning experience. If you have questions regarding a policy or process, ask someone (Resident Assistant, Community Director, Office of the Dean of Student staff, etc…).

If you are unsure if you can have/do something, again….. ASK SOMEONE. Remember, as both adults and students, it is your responsibility to know the policies so that you have a fulfilling experience during your years at Montclair State University.

Your success and experiences will be based on your choices, decisions and actions.
