STAGING AREA IS IN THE CENTER OF THE QUAD.

In the event of a fire alarm activation:

- Leave the building immediately--use the stairwells, not the elevator.
- If you are a mobility-impaired person on an upper floor, proceed to the stairwell landing on your floor and instruct someone to notify emergency response personnel of your location.

Upon alarm activation, NO personnel will be allowed to re-enter the building without permission from University Police or the local fire department.
