WEBSTER HALL STAGING AREA

STAGING AREA IS IN THE GRASS BY LOT 17.

In the event of a fire alarm activation:
- Leave the building immediately—use the stairwells, not the elevator.
- If you are a mobility-impaired person on an upper floor, proceed to the stairwell landing on your floor and instruct someone to notify emergency response personnel of your location.

*Upon alarm activation, NO personnel will be allowed to re-enter the building without permission from University Police or the local fire department.*
