QUICK REFERENCES
Welcome to Montclair State!

On behalf of the International Services (IS) staff, I send my warm wishes and congratulations on your acceptance to Montclair State University. We are delighted you chose our University, and we look forward to welcoming you to the Montclair State University campus.

The purpose of this guide is to provide you with helpful information as you plan to begin your studies at Montclair State. Please read all of the information carefully. Keep this guide with you during your travels and during your first week on campus. If you have any questions, please contact the IS office at intserv@mail.montclair.edu.

Safe travels and see you soon,

Elizabeth Gill, Director
International Services
Global Education Center
International Student Checklist

Before leaving home....

☐ Apply for your student visa

☐ Choose your arrival date

☐ Plan for housing

☐ Plan transportation from the airport

☐ Prepare your finances

☐ Send immunization forms to the university

☐ Set up NEST

☐ Set up NetID/Email

After arriving in the U.S....

☐ Check-in to your assigned on-campus housing

☐ Take any required tests

☐ Attend International Student Orientation
Visas, I-20s, and DS-2019s

F-1 or J-1?

Your document was created in the Student and Exchange Visitor Information System (SEVIS), a U.S. government, internet-based reporting system. Please review your I-20 or DS-2019 immediately to make sure all your information is correct. If there are any errors, email International Services at intserv@mail.montclair.edu to determine whether a replacement document must be issued.

With both F-1 and J-1 visas, you may enter the U.S. up to, but no more than, 30 days prior to the start date on your I-20 or DS-2019. You are required to attend the school whose I-20 or DS-2019 you used to obtain your visa.

It is recommended you scan and keep a copy on your computer, and always keep the original with your passport in a secure location.

B-1 and B-2 Tourist Status

**DO NOT** enter the U.S. as a visitor with a B-1 or B-2 stamp, for you will not be able to participate in classes. If you entered the U.S. as a B-1 or B-2 with the intent of changing your status, you will not be able to take classes until your status change is approved and changed. This process could take up to several months. Applicants who apply for a change of status from a B-1/B-2 to F-1 right after enter the U.S. are usually denied. **Entering the U.S. with a visa that does not match your intent on coming to the country is considered visa fraud.**

If you are a citizen from a country that has a visitor waiver agreement with the U.S., **DO NOT** enter the U.S. using the visitor waiver program. You will not be able to change your status once entering the U.S., and you will need to return home and re-enter the U.S. with the proper status.

Pay the SEVIS Fee

The SEVIS fee, also known as the Federal SEVIS I-901 fee, is a mandatory fee that must be paid by student and exchange visitors before applying for an F-1 or J-1 visa. The fee is $200 for the F-1 visa and $180 for the J-1 visa. The fee can be paid by credit card, Western Union Quick Pay, or by mail. **We do not** recommend paying the fee by mail for it might take as long as four weeks to be processed. To pay the fee online, follow these instructions:

1) Visit [http://www.fmjfee.com](http://www.fmjfee.com)
2) Complete the form I-901. Be sure that you enter your personal information **exactly** as it appears on your I-20 or DS-2019
3) For I-20 holders, the Montclair State University school code is: **NEW214F01039000**
4) For DS-2019 holders, the Montclair State University program number: **P105419**
5) The SEVIS ID number is printed on the top left of your I-20 or above your surname/primary name on your DS-2019. The SEVIS number starts with the letter N.
6) Once you have paid using a credit card, **print the receipt**. Do not exit the receipt page until you print the receipt. You will not be able to return to the receipt page once closed.

A prospective F or M student with a country of citizenship or who was born in **Cameroon, Ghana, Kenya, Nigeria, or Gambia** must pay by money order, Western Union Quick Pack, or certified check drawn from a U.S. bank. SEVP will accept third party payments, meaning someone else can pay your I-901 SEVIS fee for you. For students who cannot pay the fee by credit card, third party payers are also restricted from paying the fee by credit card. For instructions on how to complete the Western Union Quick pay/Quick Collect form, please visit: [http://www.ice.gov/sevis/i901/wu_instr.htm](http://www.ice.gov/sevis/i901/wu_instr.htm)

**Apply for Your Visa**

Visit [http://www.usembassy.gov](http://www.usembassy.gov) to locate the embassy or consulate near you to schedule your required visa appointment. Wait times for an appointment can be lengthy so apply **as soon as possible** upon receiving your I-20 or DS-2019.

As you prepare for your visa appointment, you may wish to contact a U.S. Education Advising Center in your home country. See [http://www.educationusa.info](http://www.educationusa.info) for more information. The U.S. educational Advising Center can give you helpful information about application procedures specific to your home country. If possible, you may want to attend a pre-departure orientation program organized by the center. This orientation will likely include information not only about applying for the visa, but also about American culture.

**Prepare your Documents for Your Interview**

Provide the following documents to the U.S. embassy or consulate at the interview:

1) Online application form DS-160 (some applicants will also be required to submit a form DS-157). All forms must be completed and signed, and can be found at [http://evisaforms.state.gov/default.asp](http://evisaforms.state.gov/default.asp). A separate form is needed for children, even if they are included in their parent’s passport.
2) Passport valid for up to 6 months past the intended end date on your DS-2019 or I-20.
3) I-20 or DS-2019.
4) Original admission letter from Montclair State University.
5) Receipt of SEVIS fee payment.
6) Documented proof of financial support.
7) Test scores and academic records.
8) 2x2 visa photo (for specific requirements visit: [https://travel.state.gov/content/visas/en/general/photos.html](https://travel.state.gov/content/visas/en/general/photos.html))
9) Additional documents as required by the embassy or consulate (check your home country’s embassy or consulate for more information)

**Canadian Students**

Canadian citizens are not required to obtain a visa to enter the United States; however, they must obtain an I-20 or DS-2019 and pay the SEVIS fee before entering the U.S.

The following documents must be presented to the customs officer either at the border or airport:

1) Valid passport.
2) Admission letter from Montclair State University.
3) Receipt of SEVIS fee payment.
4) Documented proof of financial support.
5) I-20 or DS-2019.

*Permanent residents of Canada are required to obtain a visa before entering the United States. Follow the instructions in the section “Apply for Visa.”

**Dependents**

Your spouse and children under 21 years old are eligible to accompany you to the U.S. with a dependent visa (F-2 or J-2). You must request a dependent I-20 or DS-2019 for each of your eligible dependents. A dependent I-20 or DS-2019 may be issued when your initial I-20 or DS-2019 is prepared, or after the student has entered the United States and started the program of study. For more information, contact International Services at intserv@mail.montclair.edu.

If you are bringing dependents with you, it is important you bring proof of your relationship with you to your visa interview, including: birth certificates, marriage licenses, passports, etc.

**F-2 spouses** are not allowed to work in the U.S., but can study part-time at a college or university.

**F-2 children** may study full-time up to the high school level. If they wish to continue their studies at a post-secondary institution, they must first apply to change their status to F-1.

**J-2 dependents** may study and apply for permission to work in the U.S.

**Students Transferring to Montclair State University**

If you transferred your SEVIS record from another U.S. school to Montclair State, you were issued an I-20 with
“Transfer Pending” indicated in item 3. If you plan to leave the U.S. before registering, please use the Montclair I-20 or DS-2019 to re-enter the U.S.

If your F-1 visa expired or you changed your status while in the U.S., apply for a new visa at your U.S. consulate or embassy. You do not need to apply for a new stamp if your current F-1 visa is still valid. Even though your visa specifies your previous school’s name, you will still be able to use it to re-enter the U.S. until it expires.

**Visa Delay or Denial**

Some students may encounter delays in visa issuance due to security clearance checks. This is **NOT** a visa denial. You cannot prevent a security clearance check, nor can International Services intervene to speed up the process.

If your visa application is denied, you should request a written explanation of the denial from the U.S. embassy or consulate. The most common reason for visa denial is failure to demonstrate non-immigrant intent. You may reapply for a visa; however, it is not advisable to simply resubmit the original application materials. You should only reapply if you can submit updated evidence that addresses the concerns stated in the original denial.

If your U.S. consulate or embassy indicates a problem with your visa application due to SEVIS reasons, contact International Services at intserv@mail.montclair.edu.

**Deferring Your Studies**

If you decide not to enroll in Montclair State University for the semester you were issued the I-20 and wish to defer your admission:

1) Contact the admissions office to defer your admission to the university (Undergraduate students should email msuadm@mail.montclair.edu; Graduate students should email gradschool@mail.montclair.edu)

2) Return the I-20 to International Services. Failure to do so will result in any future I-20s not being issued.

3) Contact International Services at intserv@mail.montclair.edu to obtain a new I-20.
Immunizations, NEST, NetID, and Housing

Complete Immunization Requirements

New Jersey state requires ALL college students be immunized against the measles, mumps, and rubella (MMR). In addition, students intending to live in university housing must show documentation of vaccination of one dose of the meningitis vaccine. Students who do not meet the requirements will not be allowed to move in or register for classes. Enclosed you will find a separate form listing all immunization requirements. Read it carefully, and complete and submit the form to the Health Center. The form must be submitted before registering for classes.

For further information, you can call the Health Center at (973) 655-4361 or visit them online at http://www.montclair.edu/healthcenter.

Set up Your NEST Account

All new students must set up their NEST account before doing anything else.

So what is NEST? Nest is a convenient way to review course offerings, register for courses, and access your schedule, grades, and financial accounts. In addition, NEST’s “Degree Audit” tool lets you monitor your progress as a student. To set up your NEST account:

1) Go to http://www.montclair.edu.
2) Click on “Quick Links” and select NEST from the drop-down menu.
3) When logging on for the first time, enter your campus-wide identifier (CWID) number (which is an 8-digit number assigned to you upon applying for admission) as your NetID and your birthday (mmddyy) as your PIN/password. Press enter.
4) To reset your PIN, click on “Reset my PIN” on the NEST login page.
5) Once you have logged in, you will be on the NEST homepage.

Set up Your NetID/Email

All new students must set up their NetID as soon as possible at https://netid.montclair.edu/netid.

Your NetID will:

1) Give you a unique electronic identity for access to university online services, including email.
2) Set up your email account so that you can a) receive important university information and b) communicate with faculty and fellow students. Please note that you MUST sign up for a Montclair email account as you will be held responsible for the information and campus notifications sent via the email system. The university, as well as, International Service’s main source of communication is the Montclair State University email address. It is extremely important you check your Montclair email regularly.

For more information, please contact the University Help Desk at (973) 655 – 7971.

**Health Insurance**

All students are required to purchase health insurance. Health insurance through the school is covered in your fees and payable through your tuition and fees payment. Students who purchase their own health insurance have the option to waive the University’s insurance only if their insurance meets or exceeds the University’s insurance policy.

**Plan for Housing**

**For J-1 study-abroad students:** Unless you choose to live off-campus, you will live in the Global Living Community in the Village at Little Falls. The International Student Advisor will communicate with you via email before your arrival regarding your housing assignment.

**For F-1 and J-1 degree seeking students:** Planning for housing well in advance of your arrival is extremely important. Residence hall rooms are reserved on a first-come, first-serve, space-available basis. To apply for housing, visit [http://www.montclair.edu/residence-life/housing-assignments](http://www.montclair.edu/residence-life/housing-assignments).

Please note: once you arrive on campus and move into your residence hall, you are committed to live on campus for the entire academic year. The Office of Residence Life does not offer refunds to students once they have moved into their rooms. If you have any questions, please contact the International Student Advisor.

International Services manages housing assignments in the Global Living Community (GLC). The GLC is a residential community of international and American students at Montclair State University. It is housed in the Village at Little Falls. Living in the GLC offers students and international scholars a unique opportunity to make friends from around the world who share an interest in broadening their cultural perspectives. Spaces in the GLC are given to J-1 exchange students, graduate students, undergraduate juniors and seniors, and returning students. If you have any questions about the GLC, contact International Services at intserv@mail.montclair.edu.

**Students with dependents** must apply for off-campus housing.

“The activities the Student Government Association plans for Montclair State University are always so much fun! One year, they organized a Build-a-Buddy event where we got to make our own teddy bears. It was so fun and the bears were very cute!”

- Kamila, Poland
**Prepare Your Finances**

The greatest problem facing international students in the U.S. is maintaining adequate financial support for subsistence and studies. Students holding an F-1 status pay out-of-state tuition. **It is very important that you understand that you will be required to pay tuition and fees in full each semester.**

The cost of living in the U.S. depends on your lifestyle. We recommend that you bring traveler’s checks or some other form of currency (such as certified check or credit cards) rather than a large sum of U.S. dollars. Although you will need **some** cash for your arrival, carrying large amounts is not safe. You may deposit your funds at a local bank after you arrive. The easiest bank to access is Bank of America, with 2 ATM machines located on campus. If you anticipate difficulties in acquiring funds for your studies, it is advisable that you delay your arrival until such difficulties are resolved.

Make sure you bring funds with you to cover immediate costs, such as tuition, fees, room, and board. Note that our estimate of expenses is the minimum required to live in and around Montclair with careful budgeting. Students expecting personal expenses to be covered by university stipends are cautioned that it may take several weeks before you receive the first stipend check. Plan to bring enough money to easily cover living expenses for at least the first two months of the semester. Keep in mind that the total amount of your stipend is subject to a deduction to cover taxes on the value of the tuition waiver, so you may need to add additional funds to cover your expenses.

**Sponsored Students on F-1 Status**

If your tuition and fees are paid by a government, international agency, bank, etc., International Services must receive a letter, in English, on official letterhead, from your sponsor authorizing the University to send your bill to the sponsor.

**Payment Plans**

Montclair State University offers payment plans through Higher One. Students can enroll for 1 semester at a time. This plan is interest free and available for a modest fee. Enrollment is available for a limited time. This is **NOT** a loan.

More information is available on the Student Accounts Office website at [http://www.montclair.edu/student-accounts](http://www.montclair.edu/student-accounts).
Payment Deadlines and Consequences

All students can view their tuition bills and deadlines, and pay their tuition and fees, online via NEST. If payment is not received by the date stated online, you will be subject to deregistration. If you are dropped from your classes, you will need to re-enroll based on a space available basis, once your bill is paid. Students are also subject to paying additional fees for re-enrolling in a class. Balances not paid will be subject to late fees, and your grades, transcripts, and/or diploma will not be released until the University receives all payments. Any further questions regarding bills and payments can be directed to the Office of the Registrar. Contact information for the Registrar can be found in the back of this booklet.

Arriving in the U.S.

New Jersey Climate and What to Pack

New Jersey has variable climates: cold winters with periodic snowfalls, humid summers, and some very pleasant periods in between. Warm jackets, scarves, hats, gloves, and boots are essential for winter (November-March). Waterproof outwear and umbrellas are essential in rainy weather.

If you will be living on campus, basic furniture is provided; however, bed linens, blankets, pillows, and towels are not. If possible, bring a bed sheet, light blanket, and a towel with you from home. Keep in mind the single bed is extra-long, so bring an extra-long sheet and blanket, if possible.

You might also want to bring small personal items, such as photographs, traditional dress, tapes or CDs, or other items to personalize your new home. Keep in mind residence halls have limited space. It is best to purchase electrical appliances after you arrive in the U.S., as appliances manufactured outside the U.S. may not be compatible with the power supply.

It is advisable to carry a small amount of U.S. cash, in paper currency and coins, for telephones, baggage carts, bus fares, and tips. Most airports have currency conversion stations for this purpose.

Driving in New Jersey

If you intend to drive in the U.S., it is important you obtain an international driver’s license before leaving your country. You can then apply for a New Jersey driver’s license.
**Choose Your Arrival Date**

When purchasing your plane ticket, please not the start date on your I-20 or DS-2019. You are NOT allowed to enter the United States more than 30 days before the start date listed on the I-20 or DS-2019. You will NOT be allowed to enter the U.S. after the start date listed on the I-20 or DS-2019.

All new students, including students transferring from other U.S. institutions, are required to participate in Orientation Week activities starting the week before classes. If you are facing unexpected delays in arriving, please notify International Services as soon as possible to discuss your options.

Choose your arrive date so that you have enough time to:

1) Rest up from jetlag.
2) Take any required tests, such as the English as a Second Language (ESL) test or the Montclair State Placement Test (MSUPT)
3) Attend International Student Orientation
4) Attend all other orientations, as required.

If you plan on coming to the U.S. before the move-in date, you must have your own living accommodations arranged off-campus. Be sure your arrangements are available upon your arrival.

**Arrival at U.S. Port of Entry**

Carry the following documents with you, and do not check them in your luggage:

1) Passport
2) I-20 or DS-2019
3) Payment receipt of SEVIS fee
4) Evidence of financial support
5) Name and contact information of Primary Designated School Official or Responsible Officer at Montclair State University: Aditi Patel, Interim Director, International Services, (973) 655 – 6862

**Entering the U.S.**

If you are entering the U.S. by air or sea, you will receive an entry (or admission) stamp in your passport.

If you are entering the U.S. by land, you will receive a paper I-94 arrival/departure card.

Check to confirm that the following have been properly noted on your I-94 admission stamp: the date of your arrival, the port of entry, and your non-immigrant status (either F-1 or J-1). The I-94 admission stamp should be marked D/S indicating you may remain in the U.S. for the duration of your status (D/S). If errors are made, politely ask for them to be corrected before leaving the port of entry. Making corrections later will be difficult and time consuming.

Make sure to keep a copy of your I-94 stapled in your passport or in a secure location at all times.
Problems at Port of Entry

If the U.S. Port of Entry Officer determines you do not have the proper documents, he/she may issue a Form I-515 (Notice to Student or Exchange Visitor) and require you to submit the proper documents to the Department of Homeland Security (DHS) within 30 days of arrival. If you are issued a Form I-515, you must report to International Services with all your documents immediately upon arriving on campus.

Secondary Inspection Requirements

If the officer needs to verify information with your school or program, provide them with the name of Interim Director of International Services, Ms. Aditi Patel, (973) 655 – 6862. In the even you arrive during non-business hours (evenings, weekends, holidays), you can call campus police at (973) 655 – 5222, and they will contact Ms. Patel on your behalf.
Welcome to Montclair State

Getting to Montclair State University

We strongly recommend that you arrange your airline flights so that you arrive at Newark Liberty International Airport (the closest airport to campus) between 7am and 6pm. Arrival at LaGuardia or JFK airports located in New York State will require a lengthy drive to campus.

From Newark International Airport:

By Bus:

1) Take the New Jersey Transit Bus No. 62 to PENN station in Newark. Make sure you have single dollar bills and coins before boarding the bus (the bus fare is approximately $2.00 from the airport to Newark PENN station).

2) When you arrive at PENN station in Newark, take bus No. 28 of New Jersey Transit to Montclair (the bus fare is approximately $5.00 from Newark PENN Station to Montclair State). This bus will take you directly to Montclair State University.

By Taxi:

We strongly suggest you take a taxi from the airport.

1) The cost will be approximately $50.00, including the customary driver’s tip. Cost should be arranged with the drive before leaving the airport.

2) Ask the taxi driver to take you to Montclair State University in Montclair.

3) If your housing assignment is in the Village at Little Falls, tell the taxi driver take you to 135 Clove Road, Little Falls, NJ. Enter the Abbott and Costello building and proceed to the 2nd floor to obtain your key.

4) If your housing assignment is in any other building on campus, tell the taxi driver to take you to 1 Normal Ave, Montclair, NJ. This is the main address of the University. Once at the campus, proceed to the Police Station and ask for directions to the building you are assigned housing. Go to the Residence Hall Office and ask for assistance in getting to your assigned room.

5) If you plan to live off-campus, tell the taxi driver the address of where you will be staying.

From JFK International Airport

If you must arrive at JFK airport, we suggest that you arrange for a friend or family member to pick you up and bring you to campus. Do not take a taxi from these airports as the cost will be very high. You can, however, arrange to take the “Olympic Airporter”, a ground shuttle bus from JFK Airport to Newark Airport. The “Airporter” runs from 8:00am to 8:00pm and the cost is $30.00. For more information, go to [http://olympic-limo.com/reservations.html](http://olympic-limo.com/reservations.html). Once you arrive at Newark Airport, follow the directions
above. If you have difficulty in your travels, you may call us from anywhere, toll-free, by dialing 1-800-624-7780; when you hear a recording, dial 0, and a campus operator will answer. Ask for International Services at x6862. Our office hours are:

September – May; Monday – Friday: 8:30am – 4:30pm
June – August; Monday – Thursday: 8:00am – 5:30pm

After office hours, you may contact campus security at (973) 655 – 5222.

Welcome Week

Now that you made it to Montclair State University, there will be a week of welcome activities to help you get situated. Following are the sessions you will be attending throughout your welcome week experience. Please see the insert regarding all dates and times.

English as a Second Language (ESL) Tests

You are required to take the ESL test, regardless of TOEFL/IELTS score, if:

1) Your native language is not English
2) You are a graduate of an ESL program
3) You are a Fulbright student

Exceptions:

1) You are transferring from another U.S. school and completed English composition I and II
2) You are an exchange student on a J-1 visa studying for one or two semesters

Please note: If after taking the ESL test you are required to take remedial English courses, you will have to register and pay for the courses. Those courses will not count towards your overall degree requirements.

Montclair State University Placement Test

This placement test is designed to determine competency levels in reading, writing, and elementary algebra. You are required to take this test if:

1) You are an undergraduate student with less than 24 credits
2) You are an undergraduate transfer student with less than 24 semester hours

*International Student Orientation (MANDATORY)*

All new F-1 and J-1 international students, including freshman, students transferring from another U.S. institution, and students who change their status to F-1, **MUST** attend the mandatory International Student Orientation in addition to the Freshman Orientation, Transfer Session Day, or Graduate Orientation.

The orientation will cover important information about your F-1 or J-1 status, including: maintaining status, employment, social security numbers, and travel. We will also provide information about the U.S. culture, academic success, staying healthy and health insurance, opening a bank account, campus life, and more. If your spouse accompanies you to the U.S., he/she is invited to attend.

Students are required to stay for the entire orientation. Plan to arrive at least 15 minutes before the start of the orientation. Breakfast and lunch will be provided. **Bring your passport and I-20 or DS-2019 to orientation.**

"Going to Montclair State is one of the most amazing experiences I've had so far. I like the diversity and I am able to meet people from different cultures."

-Katherine, Colombia

*Other Orientations*

**Freshman Orientation and Advising**

Freshman students are those that are starting their undergraduate program after completing secondary school. All freshman students are required to attend Freshman Orientation.

**Transfer Student Orientation and Advising**

All new transfer students (transferring more than 29 credits) are required to attend one Transfer Orientation prior to registering for classes. For more information on registration for the orientation and what documents to bring, visit [http://www.montclair.edu/student-development-campus-life/student-academic-services/academic-success/transfer-students](http://www.montclair.edu/student-development-campus-life/student-academic-services/academic-success/transfer-students) and click on “register”.

**Graduate Student Orientation**

The Graduate Student Orientation provides opportunities to learn more about Montclair State University, specifically its campus, services, faculty, staff, and administrators. It also presents new students with a great way to meet fellow graduate students and their future classmates. For more information on the date and time, visit the Graduate Admission Office’s website at [http://www.montclair.edu/graduate](http://www.montclair.edu/graduate).

**Graduate Advising**

Graduate students must be advised by their graduate program coordinator before they can register for classes. Please contact your program coordinator and set up an appointment before leaving your home country. Visit [http://www.montclair.edu/graduate/current-students/program-coordinator](http://www.montclair.edu/graduate/current-students/program-coordinator) to find out who your coordinator is. Keep in mind that you must first take the ESL test (if applicable) before meeting with your advisor to register for classes.
