Changes from Firefox 17.07 for Mac to Firefox 29.0.1 for Mac

Please find below images and brief descriptions of the changes from the old to the new versions.

1. Change to the Overall Toolbar:

Version 17.0.7 (Current)

Version 29.0.1 (New)
In **Version 29.0.1**, there are new additions in the upper right hand corner.

Ex.

- Book Marks (Star and Bulleted List icons)
- Downloads (Arrow Down icon)
- Home (Home icon)
- Menu (Three Horizontal Paralleled Lines Icon)

### 2. Additional Editing Functions on the Tool Bar

#### Version 17.0.7 (Current)

#### Version 29.0.1 (New)
