I. Welcome:
Meneghin called meeting at 12:10 p.m.
Matteis made a motion that the February 2011 minutes be approved; Yu seconded. The minutes were approved.

II. Old Business

Constitution

Meneghin thanked the Constitution committee for its work this year. The initial review was done in February, and the required 15-day timeline was met. There were no changes received. Meneghin motioned for a vote, with the Commission approving the final amended Constitution. It will be forwarded to President Cole for approval.

III. Sub-Committees:

Education

The Committee did not report.

Mentoring

Abreu reported that the committee met to look at the timeline and to create the focus groups. There will be four focus groups: 2 for staff, 1 for faculty and librarians, and 1 for students. The Committee looks to re-launch the mentoring questionnaire in Fall 2011, with evaluation and final wrap-up in Spring 2012. The Committee will report on the trends and themes from the initial questionnaire at the May 24th Advance.

Recruitment and Retention

The Committee has not met. It will present data at the April meeting for review.
Sponsorship

Meneghin updated the Commission on plans for Affirmative Action Day, which was postponed to Fall 2011, due to the need to amend and finalize the Constitution this year. The Executive Committee hopes that the Fall 2011 program will increase participation, such as attendance by the Freshman Experience classes. The Executive Committee proposes a well known keynote speaker, however this will require financial support from numerous campus organizations. Linda S. proposed Soledad O'Brien, CNN anchor and book author. Linda will work with Ms. O'Brien’s agent in order to negotiate the $15,000 initial quote and will update the Commission. Meneghin motioned that this proposal move forward to finalize a contract to begin obtaining co-sponsorship. Motion was approved.
