Dear All,

Welcome back to the 2015-2016 Academic Year! As you are aware, during the past years (2009-2015), we began the development of routine and systematic assessment of student learning across curricula in accordance with guidelines stipulated by the Middle States Commission on Higher Education (MSCHE).

During the 2007 MSCHE visit, the Commission required that we move forward on this task in a uniform manner. In the 2012 Periodic Review we were commended by the Commission for our planning agendas, and we anticipate that the upcoming review will earn additional accolades.

In appreciation for all of your hard work and dedication to the process of student learning outcomes assessment at Montclair State University Provost Gingerich and Associate Provost Coté-Bonanno cordially invite you to attend:

Middle States Assessment Update Meeting
