2nd Self-Evaluation

Please respond to the following questions.

1. At the beginning of the semester you identified what you might have done differently if you were able to rewind and redo last semester. How have you been able to apply these habits, goals, etc. to your current semester so far?

2. What has been going really well for you this semester?

3. What kinds of challenges are you still facing this semester or what new challenges have come up so far this semester?

4. What steps might you take to address these challenges?
