Please be sure to include a $60 non-refundable application fee made payable to Montclair State University.

Older-Adult Tuition Waiver (OLA) Program: New Jersey residents 65 years or older are eligible to take university courses on a space-available, tuition-waiver basis (students are only responsible for student fees plus a $40 administrative fee per semester). If students already have a high school diploma or a GED diploma, they may take undergraduate courses on a credit or non-credit basis. Students who have a baccalaureate degree may take undergraduate or graduate courses and must pay graduate fees regardless of the course level. Students are also eligible to apply for a degree program by meeting all the necessary entrance requirements and will be required to enroll in the GNED100: Adult Academic Success Seminar. Students applying through the OLA Program, and who want to earn a degree, must complete the Undergraduate application and indicate OLA on the top of the first page of the application.

OLA students interested in taking courses for personal enrichment (non-degree classification), simply need to complete the OLA application and submit an official transcript. Students interested in pursuing an undergraduate degree must submit a complete Undergraduate application. Students with an undergraduate degree interested in pursuing a graduate degree must submit a complete Application for Graduate & Post-Baccalaureate Programs and submit it directly to the Graduate School. To request a graduate application, students must contact the Graduate School [(973) 655-5147].
