Introducing our private-label wine

The Official Wine of the Montclair State University Alumni Association

The Montclair State University Alumni Association is pleased to announce a new partnership with Westfall Winery in Montague, New Jersey. Winemaking has been a tradition in New Jersey for over 200 years; today, New Jersey is the fifth largest wine-producing state in the nation. Family-owned and operated, Westfall Winery is proud to be the first winery located in Sussex County. The Vintner is Georgene Mortimer '95 MA, a proud graduate of the science program of Montclair State University.

Show your MSUAA membership card at the winery and receive a 10% discount
