

P R O C L A M A T I O N
IN RECOGNITION OF LATIN PRIDE MONTH
SEPTEMBER 21 – OCTOBER 15, 2020

Montclair State University derives much of its strength from the influences of many cultures and races, and now takes the time to celebrate Latin Pride Month and recognize the unique richness and vitality of this diverse culture.

Persons from Latin America and Spanish ancestries have had a profound and positive influence on our country and have made numerous contributions to our society. They serve with distinction in the many roles in the University and are well represented in our student body. They have provided excellent leadership, and have enhanced our campus community with many intellectual, cultural, and artistic achievements.

Montclair State University recognizes the valuable accomplishments of Latin Americans and reaffirms its commitment to provide educational and employment opportunities to members of this group.

NOW, THEREFORE, I, Susan A. Cole, President of Montclair State University, hereby proclaim September 21 to October 15, as, **Latin Pride Month**, at Montclair State University, and I encourage our entire campus community to join me in celebrating this occasion.
