IN RECOGNITION OF
ASIAN/ PACIFIC AMERICAN HERITAGE MONTH
APRIL 2021

The United States of America is a great mosaic of different races and ethnic groups, each celebrating its unique culture in our society. In keeping with this tradition, Asian/Pacific Americans are recognized for the many contributions and countless achievements that they have made to our state and nation.

Asian/Pacific Americans serve on our faculty and staff and are well represented in our student body. Through their presence, talent, and active participation, they have enriched our social, cultural, and educational experiences on campus with dedicated service and leadership, intellectual achievements, and artistic expressions.

Montclair State University proudly acknowledges the rich heritage of Asian/Pacific Americans and reaffirms its commitment to provide equal educational and employment opportunities to members of this group and to the broader community.

NOW, THEREFORE, I, Susan A. Cole, President of Montclair State University, hereby proclaim April 2021 as **Asian/Pacific American Heritage Month** at Montclair State University, and I encourage our entire campus community to join me in celebrating this occasion.
