

GRADUATE ADMISSIONS AND SUPPORT SERVICES

SCOTT SHAPPELL

Office of Graduate Admissions and Support Services

B.A. Richard Stockton College

M.A. Montclair State University

MR. SHAPPELL comes to his position as Associate Director of Technology for the Graduate School with more than seven years experience working with technology in the corporate world. His background is that of a software developer, with his primary experience that of creating dynamic, database driven web applications. He has worked on web applications for the Council on International Educational Exchange, Rutgers University, and the State of New Jersey, among others.

JAMES STEFANELLI

Office of Graduate Admissions and Support Services

B.S. Rutgers University

MR. STEFANELLI joins the staff as the Graduate Enrollment Coordinator after having been the Transfer Admission Counselor at Bloomfield College for the past two years. While at Bloomfield College, James worked with many student populations, and performed several recruiting and outreach functions. Prior to his experience in higher education, James worked for a Direct Marketing company and owned his own Graphic Design business.
