

**Call for SUMMER 2019
PSEG ISS Green Teams
Student Applications**

May 29th – August 8th

Due January 23rd, 2019 at midnight

MONTCLAIR STATE UNIVERSITY
**PSEG INSTITUTE FOR
SUSTAINABILITY STUDIES**

NJHEPS
New Jersey Higher Education Partnership For Sustainability

The Opportunity:

Take part in a unique internship opportunity. Have a chance to work as part of a transdisciplinary **Green Team** addressing sustainability problems posed by a corporation, local business or government agency.

All majors are desired, many skills are needed.

As part of this team, you could do some or all of the following:

- Learn first-hand how businesses function
- Become experienced in developing projects and creating deliverables
- Understand and envision how sustainability intersects with your career trajectory
- Establish a network for future internship and employment opportunities
- Interact with local community members
- Gain experience in applied science
- Improve your communication and team-working skills
- Create surveys and marketing documents to gauge and improve how companies interact with their employees
- Develop professional reports and presentations
- Assess environmental impacts
- Obtain eligibility for Leadership Certification

and more!

For more information about PSEG ISS and examples from the 2016, 2017, and 2018 Green Teams, go to our web site: www.montclair.edu/csam/green-team-app-2019

To apply, visit <https://www.montclair.edu/csam/green-team-app>

Please be advised that the application requires **three references** and must be completed in one session.

For questions, please contact Dann Truitt at psegiss@montclair.edu or 973-655-3720
