

Cross Listed Courses - Spring 2012

Montclair State University offers courses which may be listed in two or more departments. The following list of Cross-Listed Courses, either or both of which are offered for the Spring 2012 semester, is being provided to help you with the flexibility needed to build a schedule. If a cross-listed course is closed, does not fit into your schedule or is not being offered, you should select the same course number that is offered in another department but is listed under a different subject code.
