ABOUT MONTCLAIR STATE UNIVERSITY'S STUDENT LEADERSHIP TEAM

The Student Leadership Team (SLT) is made up of five well-rounded student leaders who help get students involved, educate their peers through workshops, design creative marketing plans, assist with programs such as the Leadership Institute and lead by example.

The SLT was created to increase student involvement and to promote leadership to all students at Montclair State University. Current student leaders are encouraged to apply for the Fall 2012 - Spring 2013 academic year in April to become a part of the Student Leadership Team.
