

Official Montclair State University Logo

Black

If you don't find the size that you need, please contact us.

3 inches wide

2 1/2 inches wide

2 inches wide

Do not use if less than 2 inches wide

Please see "alternative logos"

If you are placing a jpeg version of the logo in a Word or PowerPoint document, it's critical to enlarge or reduce the logo by pulling on the corner handles only so that the logo does not become distorted.

If you are printing off a black and white printer, please use the black logo because the 2 color logo will print in shades of grey.
