Cheese Importers Association of America

Title: Summer Internship Program

Location: TBD, NJ

Job Type: Internship

Wage: $500/week

Start Date: May 2016

Job Description:

The Cheese Importers Association of America Qualified Importer Program (CIAA QIP) is sponsoring summer internships to introduce students to careers in the Cheese Importing Industry, including the marketing, supply and distribution of imported specialty cheeses.

Primary Responsibilities:

As a CIAA intern, you will develop skills in leadership and communications, help create and develop marketing strategies, and conduct research and analysis. You will be exposed to the day to day operations of a cheese importing firm and develop an understanding of all facets of the internal supply chain, including logistics, warehousing, transportation and order revenue management. Outstanding candidates that are admitted to the program will be placed with premier cheese importing firms for a 10 week period during the summer months.

Accepted candidates will receive a $500.00 weekly stipend. In most cases, students are responsible for their own housing. Do not miss out on an incredible internship experience that will expand your knowledge of specialty cheeses and expose you to the daily management of a premier cheese importing firm. Placements are limited; apply now before all positions are filled.

Qualifications:

- College Sophomore/Junior/Senior
- Interests in food importation industry, especially pertaining to Cheese.
- Academic focus on Business Administration, Marketing, International Business, Food Supply Chain Management, Logistics or other related studies.

Application Instructions:

Please go to the CIAA website to find out more information on the various CIAA summer internships that we have available as well as download an application form. Additional application materials include the following:

- Transcripts
- 2 letters of recommendation
- Statement of 150 words of less on your career/study plans and how they relate to the cheese importing industry.
